BRING YOUR MEDICAL DIRECTOR AND EARN A SPECIAL GIFT FOR YOUR UNIT!

Heartland Kidney Network knows it takes the entire interdisciplinary team to facilitate the highest quality of care to all patients. The Network would like to encourage each facility's Medical Director to attend the 2012 Heartland Kidney Conference. Facilities that have their Medical Director attend the conference will earn one \$50 gift card. (Limit one gift card per facility per Medical Director. If several facilities share the same Medical Director, we encourage those facilities to invite another physician from each facility in order to qualify for the gift card.) Qualifying facilities will receive their gift card approximately 60 days after the 2012 Heartland Kidney Conference. For more information, contact Kristen Oehlert at (816)880-1704 or koehlert@nw12.esrd.net.

MISC/DRESS

Business Casual: Please remember that meeting space environments vary. Heartland Kidney Network does not have control over meeting space temperature. We suggest you bring a sweater/jacket to adjust to varying environments.

POSTER CONTEST

In 2012, Heartland Kidney Network will keep the poster presentation as a poster contest! All poster submissions should be about a best practice at your facility for "Engaging Your Patients". During the Conference, attendees will have the opportunity to vote for their favorite poster. Prizes and certificates will be given to 1st, 2nd, and 3rd place. In addition, Heartland Kidney Network will offer one complimentary conference registration (one per dialysis facility) for poster submissions. Poster Contest abstract and registration forms can be downloaded from Heartland Kidney Network's website at www.heartlandkidney.org.

WHY? Other facilities can learn from your example, you will gain insight during the process, after the conference you can display it in your own facility, patient care could improve because of you, it can be a team building exercise, and it's a great way to showcase your facility's hard work and dedication to making improvements.

HOW? You can use clip art, PowerPoint, photos, graphs...basically whatever you want. Then, attach it to a poster board. Artistic skills are not necessary!

WHEN? Abstracts must be submitted to the Heartland Kidney Network office by Friday, December 23, 2011. For more information about how to submit an abstract, contact Kay Brown, Quality Improvement Director, at kbrown@nw12.esrd.net.

VISIT WWW.HEARTLANDKIDNEY.ORG FOR UP-TO-DATE INFORMATION NOW THROUGH FEBRUARY 2012.
