

Quality Improvement

To: All Unit Administrators
From: Heartland Kidney Network

Just a friendly suggestion to include these important topics in your facility Continuous Quality Improvement (CQI) program:

- ◆ **Disaster Planning**
- ◆ **Patient Transplant Evaluations**
- ◆ **Promoting Patient Safety**
- ◆ **Staff Conflict Resolution Skills**
- ◆ **Increasing Fistula Usage**
- ◆ **Decreasing Catheter Usage**
- ◆ **Giving/Tracking Vaccinations**
- ◆ **Facility & Network Grievance Policies**
- ◆ **Increasing Serum Albumin**
- ◆ **Improving Adequacy of Dialysis**
- ◆ **Improving Anemia Management**
- ◆ **Promoting Vocational Rehabilitation**
